Petition to Protect Public Health and the Natural Environment

We, the residents of_____, in the state of_____ request that our local, state and federal governments implement the following measures to protect our health and environment:

a. **Ban the clearing of remnant bushland and the removal of mature trees from public land in urban areas.**

b. **Adopt a Tree Policy for the preservation, safe and creative pruning of trees in urban areas.**

c. **Promote better understanding of the role of trees and ground cover (including weeds) in the environment.**

d. **Promote the cutting and slashing of weeds and their steam treatment instead of chemical treatment.**

e. **Minimize the sale and availability to the general public of toxic pesticides.**

f. **Ban the use of these pesticides, including herbicides and fungicides on: footpaths, verges, medians, drainage sumps, parkland, sports fields, playgrounds, bushland, kindergartens, schools, residential and public gardens and roof tile restorations.**

g. **Adopt and enhance current international bans on pesticides.**
